Mentor Mentee Report

Student mentoring scheme is a very important initiative. Through this activity the problems and difficulties of the students can be understood and they can be guided /counselled accordingly. While working as mentor total 11 were guided, out of which 07 students from B. Sc. Part I and 04 students from B.Sc. Part III. The students had certain difficulties such as travelling problems, difficulties in understanding scientific terms, problems on notes preparation, difficulties in practical and project work etc. The students were guided accordingly also helped them to solve the problems. This activity helped the student to develop the self-esteem and improve the confidence to face the academic challenges.
