“Dissemination of Education for Knowledge, Science and Culture”

-Shikshanmaharshi Dr. Bapuji Salunkhe

Shri Swami Vivekanand Shikshan Sanstha's

Vivekanand College, Kolhapur (An Empowered Autonomous Institute)

Department of Zoology

Academic Year 2024-2025

Remedial Coaching

Objectives

- 1) To reinforce fundamental knowledge to help slow learners grasp key concepts effectively.
- 2) To provide additional support for complex topics that students find challenging.
- 3) To improve understanding through simplified explanations, examples, and hands-on learning.
- 4) To offer personalized guidance to address students' unique learning difficulties.
- 5) To help students achieve better results by providing extra support in weak areas.
- 6) To encourage a positive attitude towards learning and reduce fear of academic failure.
- 7) To promote interactive learning through discussions, group activities, and real-life applications.

Remedial Coaching - NOTICE

All students of B.Sc. I (Zoology) here by informed that Department of Zoology has organized Remedial coaching for slow learners, to improve their educational quality and also to improve their percentage.

The coaching will start from 15/02/2025 to 03/03/2025, at 9.00 am to 11.00 am in the Department of Zoology. Those students have **ATKT in Zoology Semester I** should join this remedial coaching. The student selected for this remedial coaching should join their classes on time. Attendance is compulsory for all.

Remedial Coaching - Syllabus

B.Sc. Part I Semester I

Unit -1:

(12 Lectures)

Kingdom Protista- locomotion in Protozoa

Phylum Porifera- General characters and classification up to classes; Canal System in Sycon

Phylum Cnidaria- General characters and classification up to classes; Polymorphism in Obelia

Phylum Nemathelminthes- General characters and classification up to classes; Life history of *Ascaris lumbricoides* and its parasitic adaptations

Phylum Annelida- General characters and classification up to classes; Metamerism in Annelida

Phylum Echinodermata- General characters and classification up to classes; Water-vascular system in star fish

Unit-II:

(12 Lectures)

Introduction-Cell as basic unit of life, Importance of Cell Biology, Structure and function of Prokaryotic (*E. coli*) and Eukaryotic cell (Animal Cell)

Plasma Membrane: Structure, chemical composition and functions of plasma membrane, Fluid mosaic model.

Nucleus: Structure and function of Nucleus, Chromatin: Euchromatin and Heterochromatin

Structure of Nucleic acid: DNA, RNA and its type

Chromosome: Morphology, types of chromosome, Giant chromosome-polytene chromosome & Lampbrush chromosome.

Remedial Coaching: Examination

Academic Year 2024-2025

Day and Date: Wednesday 12/03/2025

Time: 10.00 to 10.30

Total Marks:20

Name:

Roll No:

- 1) Single celled eukaryotic organisms included in
A) Protista B) Monera C) Fungi D) Animalia
- 2) Echinoderms mean.....
A) Tube feet B) Star-shaped C) Spiny skin D) Stomach foot
- 3) In Porifera the spongocoel is lined with flagellated cells called.....
A) Ostia B) Oscula C) Choanocytes D) Mesenchymal cells
- 4) Animals from the phylum nemathelminthes also called as.....
A) Aschelminthes B) Arthropoda C) Annelida D) Platyhelminthes
- 5) Metameric segmentation is observed in phylum.
A) Porifera B) Annelida C) Platyhelminthes D) Coelenterata
- 6) The primary component of the plasma membrane is _____.
A) DNA B) protein C) phospholipids D) carbohydrates
- 7).....is a cell.
A) smallest and advanced unit of life B) smallest and basic unit of life
C) largest and basic unit of life D) largest and advanced unit of life
- 8) Polytene chromosomes are typically found in.....
A) Bacteria B) Fungi C) Drosophila D) Plants
- 9)is the father of cell biology.
A) George N. Papanicolaou B) George Emil Palade
C) Robert Hooke D) None of the above
- 10) DNA and RNA are types of _____.
A) Nucleic acid B) Cell Membrane C) Protein D) Carbohydrates

Report of Remedial Coaching

Remedial coaching is a crucial academic support mechanism designed to assist students who face challenges in meeting the required standards of a course. This report provides an overview of the remedial coaching program conducted for B.Sc. I students with an ATKT grade in Zoology (Semester I) and evaluates its effectiveness in improving their academic performance. The Department of Zoology, Vivekanand College, Kolhapur (An Empowered Autonomous Institute) organized this remedial coaching as per the NAAC and IQAC guidelines. The program was conducted from 15/01/2025 to 03/02/2025 in Room No. 42, from 9:00 AM to 11:00 AM. A total of 27 students actively participated in the sessions.

The syllabus for the remedial coaching was carefully designed and distributed among faculty members. The program included two lectures per day, ensuring a structured and focused approach to addressing the students' learning difficulties. The sessions were interactive, fostering enthusiasm and engagement among the students.

To assess the progress of students, an MCQ-based test was conducted after the completion of the lectures. The results demonstrated a significant improvement in students' understanding of the subject matter, indicating the effectiveness of the remedial coaching. Students showed keen interest in the coaching sessions and appreciated the department's efforts in providing additional academic support. The remedial coaching was a success, as evidenced by the improved performance in the test.

Dr. G. K. Sontakke, Head of the Department of Zoology, effectively monitored and guided the faculty members throughout the program, ensuring its smooth execution. Remedial coaching has proven to be an effective intervention in helping ATKT students overcome academic challenges and enhance their performance. By addressing specific learning needs and providing targeted support, such initiatives contribute significantly to academic success and inclusivity. Continued efforts in identifying and supporting struggling students through remedial coaching remain essential for fostering overall academic excellence.
