(1st October to 4th October 2025)

NOTICE

DAY 1: CRAFT MODEL COMPETITION

All students of Arts, Science, Commerce and Professional studies are informed that the Department of Zoology, Vivekanand College, Kolhapur (An Empowered Autonomous Institute) in coordination with IQAC, is going to celebrate Wildlife Week from 1st October to 4th October, 2025. On this occasion, to **develop practical skills and scientific thinking by creating physical models that represent ecological and environmental concepts**, the department is organizing a **Craft Model Presentation Competition**, which will be held on **Wednesday, 01/10/2025**. Interested students are requested to **register for the competition at the Zoology Department**.

Time: 08:00 am to 10:00 am

Venue: Department of Zoology

Themes for Craft Model Competition:

1. Sustainable ecosystems and wildlife habitats
2. Effects of pollution and human activities on biodiversity
3. Conservation strategies and wildlife protection methods
4. Innovative eco-friendly art using natural materials
5. Climate change and its impact on ecosystems

Terms and Conditions:

1. Models should be prepared from paper, card sheet, cardboard, or clay.
2. Thermocol, plastic, and non-biodegradable materials will not be allowed.
3. Participants should ensure that models are safe, creative, and relevant to the theme.

NATIONAL WILDLIFE WEEK- 2025

(1st to 4th October 2025)

CRAFT MODEL COMPETITION – REPORT

The Department of Zoology, Vivekanand College, Kolhapur (An Empowered Autonomous Institute) successfully organized the Craft Model Competition on 1st October 2025 from 8:00 am to 10:00 am as part of the National Wildlife Week -2025 (1st – 4th October 2025). The event aimed to promote creativity, scientific thinking, and environmental awareness among students by encouraging them to design models related to wildlife, ecosystems, and conservation concepts. The theme for the competition was sustainable ecosystem, effect of pollution and human activities on biodiversity, innovative eco-friendly art, these were inclusive and interdisciplinary, allowing students to create models based on ecosystems, habitats, biome models, biodiversity conservation, effects of pollution, volcanic activity, natural disasters, construction impacts, road ecology, and climate change. Students were also encouraged to incorporate recycled materials to highlight sustainable practices. A total of 12 students registered and submitted their craft models. The exhibits showcased a diverse range of ideas, including forest ecosystems, pollution impact models, and miniature biodiversity conservation setups. Many models were prepared using eco-friendly materials such as cardboard, paper, natural fibers, and clay. The event also helped enhance their understanding of ecological balance, conservation challenges, and the importance of protecting natural habitats.

The event was coordinated effectively by Dr. S. S. Desai, Assistant Professor, Department of Zoology, whose guidance ensured the smooth and successful execution of the competition. On this day 80 students and 25 faculty members were visited to the department. The examiner for this competition was respected Dr. S. D. Shirke, Head and Professor, Department of Chemistry, Vivekanand College (An Empowered Autonomous Institute) Kolhapur. The Convener of this event was Dr. G. K. Sontakke, Head and assistant professor, Department of Zoology. The event also received support from faculty members of the department who assisted in organizing and conducting the competition smoothly. Overall, the Craft Model Competition fostered creativity, environmental sensitivity, and scientific curiosity among students, aligning well with the objectives of Wildlife Week.
