**Report**

The Wildlife Week is celebrated all over the country every year between 2nd October and 8th October in order to protect fauna means the animal life. It was first started in the year 1952 with the great vision of saving the life of the Indian animals by taking some critical steps. It involves the planning to save animal extinction of any species of India. Wildlife plays an important role in balancing the environment. Wild life provides stability to different natural processes of nature. The theme for this year's wildlife week was "wildlife conservation finance: investing in people and planet"

For the celebration of wildlife week 2025, Department of Zoology in collaboration with IQAC Vivekanand college, Kolhapur had organised various competitions for the students of B. A, B. Com, B.Sc., B. Voc., Biotech, in that the poster presentation competition was organised on 4<sup>th</sup> October 2025. The total 22 students were registered their names for competition. The topics for poster presentation was protecting endangered species, climate change and its impact, roll of insect pollinators etc. recent issue regarding wildlife and global status of wildlife. The students prepared and presented poster on related themes. The examiner for poster presentation competition was Mr. S. G. Kulakarni Head Department of Biotechnology (Entire) Vivekanand college, Kolhapur (An Empowered Autonomous Institute) and Dr. B. T. Dangat, Head and assistant Professor Department of Botany Vivekanand college, Kolhapur (An Empowered Autonomous Institute). Event Coordinator for this activity was Dr. T. C. Patil. The convener for the wildlife week celebration was Dr. G. K. Sontakke, Head Department of Zoology.
