Public Disclosure Regarding Student Research Projects

It is hereby declared that Vivekanand College, Kolhapur (Empowered Autonomous), in accordance with the guidelines of UGC, Government of Maharashtra, Shivaji University, Kolhapur and as per National Education Policy 2020, allots and encourages students to undertake research projects, field projects and internships. These projects are included in the curricula of various programmes as part of syllabus modules and continuous internal evaluation. The post-graduation programmes, professional programmes as well some conventional programmes have included 'Research Methodology' courses and project work as part of curricula developed under Autonomy. Project reports are submitted by students to the respective departments. The internship completion certificates issued by companies to the students are submitted in the college as part of course completion in respective programmes.

It is ensured that these research projects, field projects and internships are skills-based, employment-oriented and socially relevant. The research guides in the college work to promote and cultivate research culture among students. The Research Promotion Cell and departments of the college organise programmes, workshops, seminars, IPR related workshops every year to acquaint students with skills and ethics of research.

Further, it is certified that the college offers 31 different programmes, of which 30 following programmes offer student projects/internships.
