7.	<b>Brief Discussion</b>	<p>In the last phase of July 2021, heavy downpours in South Western Maharashtra, especially in most parts of Kolhapur district, led to flooding of the Panchganga river. The flood severely affected the socio-economic conditions of the people, particularly those already impacted by the lockdown and the COVID-19 pandemic. Evacuations were carried out for people living in low-lying regions of the Panchganga river basin, shifting them to shelter camps. However, after the conditions normalized, many returned to homes that were not in good shape. As a part of the social service and community development initiative of NCC, cadets organized a campaign to assist the flood-affected poor people. NCC cadets collected food items and basic essentials, packed them properly before distributing them to the affected families. This activity aimed at providing support to those affected economically by the flood. For this social service and</p>		

		community development program, 96 cadets participated enthusiastically, the program guided by Dr. R.R. Kumbhar, the principal of Vivekanand College, Kolhapur Col. R.B. Holla, and Col. Tiwari, the commanding officers of 5 and 6 Maharashtra BN NCC Kolhapur. The program was coordinated by Associate NCC Officer's Capt Sunita Bhosale and Lt Jitendra Bharamgonda.
8.	<b>Outcomes</b>	<ul style="list-style-type: none"> <li>• The cadets are prepared to face critical situation.</li> <li>• They are self-aware and create awareness among family members and society.</li> </ul>
