7.	Brief Discussion	<p>In our institute, we celebrated Health Day as an awareness program for organ and blood donation. India, being the most populous nation in the world, witnesses a significant number of deaths due to the unavailability of organs that could be transplanted from clinically deceased individuals. To promote awareness about organ donation, we organized an interactive and informative session featuring Dr. Sheetal Mahajani, the founder of the Organ Donation Awareness Program. Dr. Mahajani elucidated the importance of organ donation and the medical science behind it. The honorable Principal, Abhaykumar Salunkhe, presided over the program.</p> <p>The event was successfully conducted under the guidance of Principal Dr. R. R. Kumbhar, Col. Manjunath Hegde, and Col. Ganpate. The program was managed by Lieutenant Jitendra Bharamgonda and Captain Sunita Bhosale, with the participation of 95 NCC cadets.</p>						
8.	Outcomes	<ul style="list-style-type: none">Students gained medically and scientifically accurate information about organ donation.25 cadets donated blood during the program.
