Quality Initiatives/ Activities Report

1. **Name of Department:** NSS
2. **Name of Organized Activity:** Punchganga river Cleanliness Activity
3. **Date/ Duration:** 1st August 2019 to 30th March 2020.
4. **Aims and Objectives:**
 1. To contribute to the cleanliness and environmental conservation of the River Ghat in Kolhapur.
 2. To engage with the local community and raise awareness about the importance of cleanliness and environmental.
5. **No. of beneficiaries:** Around 200 NSS volunteers, daily two volunteers are doing this activity in the academic year 2019-20 for Cleanliness Punchganga river, Kasaba Bawada, Kolhapur
6. **Expenditure & funding agency:/collaborators:** Vivekanand College, Kolhapur (Autonomous)
1. **Brief description:** Pollution Control Campaign for Cleanliness Awareness at Panchganga River Ghat inaugurate by Our Shri Swami Vivekanand Shikshan Sanstha's Chairman Principal Abhaykumar Salunkhe and Mayor of Kolhapur Mallinath Kalshetti. In this campaign daily 2 students doing awareness duty at river ghat throughout year.

Many people visit to Kolhapur for Jotiba temple, Mahalaxmi temple and they comes at Pamchganga river Ghat for holistic work. Pollution and improper waste management have led to a decline in the cleanliness of the Panchaganga and its ghats. The contaminated water of the Panchaganga poses a threat to human health as well as ecosystem of River. Considering this facts, NSS department of College started the “Pollution free Panchganga river” campaign. In this activity, NSS volunteers actively participated in collecting and segregating non-biodegradable waste along the Panchaganga River Ghat. Along that, Volunteers interacted with locals and visitors, spreading awareness about the significance of a clean Panchaganga and the environmental impact of pollution. This campaign

was organized under the guidance of Principal Dr. S. Y. HONGEKAR and Program officer Mr. H. P. Patil.

2. **Outcomes:**

3. Cleaning the river Ghat helps in removing litter, plastics, and other pollutants from the environment.
4. To increased awareness about the impact of pollution on ecosystems and human health.
