Prime Minister's Internship Scheme

PMIS ROWR

Sir,

This is in furtherance to our telephonic conversation today.

The Hon'ble Finance Minister in her Budget Speech for 2024-25 announced an Internship Scheme in Top 500 companies as a priority in the Prime Minister's Package for Employment and Skilling with an estimated outlay of Rs. 60,000 Crores over the next five years. The 'PM Internship Scheme' (PMIS) is being implemented by the Ministry of Corporate Affairs (MCA).

PMIS is a significant initiative aimed at providing Internship opportunities to one crore youth over the next five years in top 500 companies, with each intern receiving a monthly assistance of 5,000 and a one-time grant of 6,000. Eligible participants are unemployed youth who are not engaged in full-time education or employment.

The top 500 companies have been shortlisted based on their CSR expenditures. Given that CSR expenditure often correlates with profitability, these top companies are expected to have diverse operations and would, therefore, be able to provide a wide range of internship opportunities across various sectors and professions.

As per the scheme companies can cover training costs and contribute 10% of the monthly assistance from their CSR funds. The Companies are expected to train youth in the age group of 21 to 24 years and shortlist those candidates with low employability and provide the person actual working experience on a skill in which the Company is directly involved.

The MCA has developed a dedicated online portal, <http://www.mca.gov.in> to manage the scheme wherein both the Company as well as the youth can register to find each other. The portal shall also enable payment disbursement to the youth through Direct Benefit Transfer (DBT).

We are currently in the second round of postings for the Pilot Phase. In the first round, 1.25 Lakh opportunities were offered to candidates.

To broad base the scheme and reach out to eligible youth we would like to partner with your reputed educational institute as part of the Information, Education & Communication Strategy to conduct Workshops/Events through your organisation. Your presence and reputation in states of Maharashtra and Goa through various schools, junior colleges and colleges shall be a catalyst in attracting suitable candidates who would be interested to participate in PMIS.

The outreach activities are expected to be held in various areas of Maharashtra between 05th and 15th February, 2025 for drawing youth for the ongoing second phase of the Pilot. In this regard, your suggestions specifying event details along with the place, date, and expected participation of youth are solicited.

Please feel free to reach out for any clarifications or discussion.

Looking forward to your partnering in this ambitious scheme that will contribute in skilling the youth, making them more employable and building a brighter India.
